Kmetijsko gozdarska zbornica Slovenije

The idea behind EIP projects was something we didn't know much about until RDP in 2015.

SUPPORTING OPERATIONAL GROUPS

Today advisors are involved.

Kmetijsko gozdarska zbornica Slovenije

Why is important to have SoI today and in the future?

There is a need for the originator of ideas, the development accelerator, the intersection of EU and national funding levels for the solutions that farmers need.
