Study on outcomes achieved by EIP-AGRI Operational Group projects - OBJECTIVES

1. To assess **outcomes achieved by OG projects in the programming 2014-2022** to acquire a better understanding of the **process of co-creation, spreading of innovative solutions**, as well as to identify possible **pathways for further development**
2. To identify the **main drivers and barriers** in achieving OG projects' outcomes, including the assessment of **communication and dissemination activities**
3. To assess the extent to which the **calls have contributed the achievement of outcomes** in different MSs/regions

Study on outcomes achieved by EIP-AGRI Operational Group projects – STUDY QUESTIONS

Q1 - To what extent have EIP OG projects produced the expected outcomes (project outcomes, wider uptake of innovation, community outcomes)?

Q1.1 - To what extent have EIP OG projects produced innovative solutions that have been successfully spread by agricultural holdings due to these projects, within and beyond the project partnership??

Q1.2 - To what extent have OG projects succeeded in strengthening and widening communities and developing opportunities for further cooperation?

Q2 - What are the main drivers and barriers to the achievement of EIP OG outcomes and what lessons can be drawn?

Q2.1 - What are the main drivers and barriers to the successful co-creation of innovative solutions and the possibility of scaling-up of EIP-OG project outcomes?

Q2.2. - To what extent have communication and dissemination activities contributed to the achievement of OG project outcomes?

Q3 -To what extent did MS/Regions' approaches to EIP OG calls favour/limit the achievement of outcomes?

Study on outcomes achieved by EIP-AGRI Operational Group projects – DATA SOURCES

Documentary research:

- Literature review of EIP-AGRI OGs, related Horizon 2020 projects and desk analysis of programme documents (i.e., RDPs and EIP OG calls)

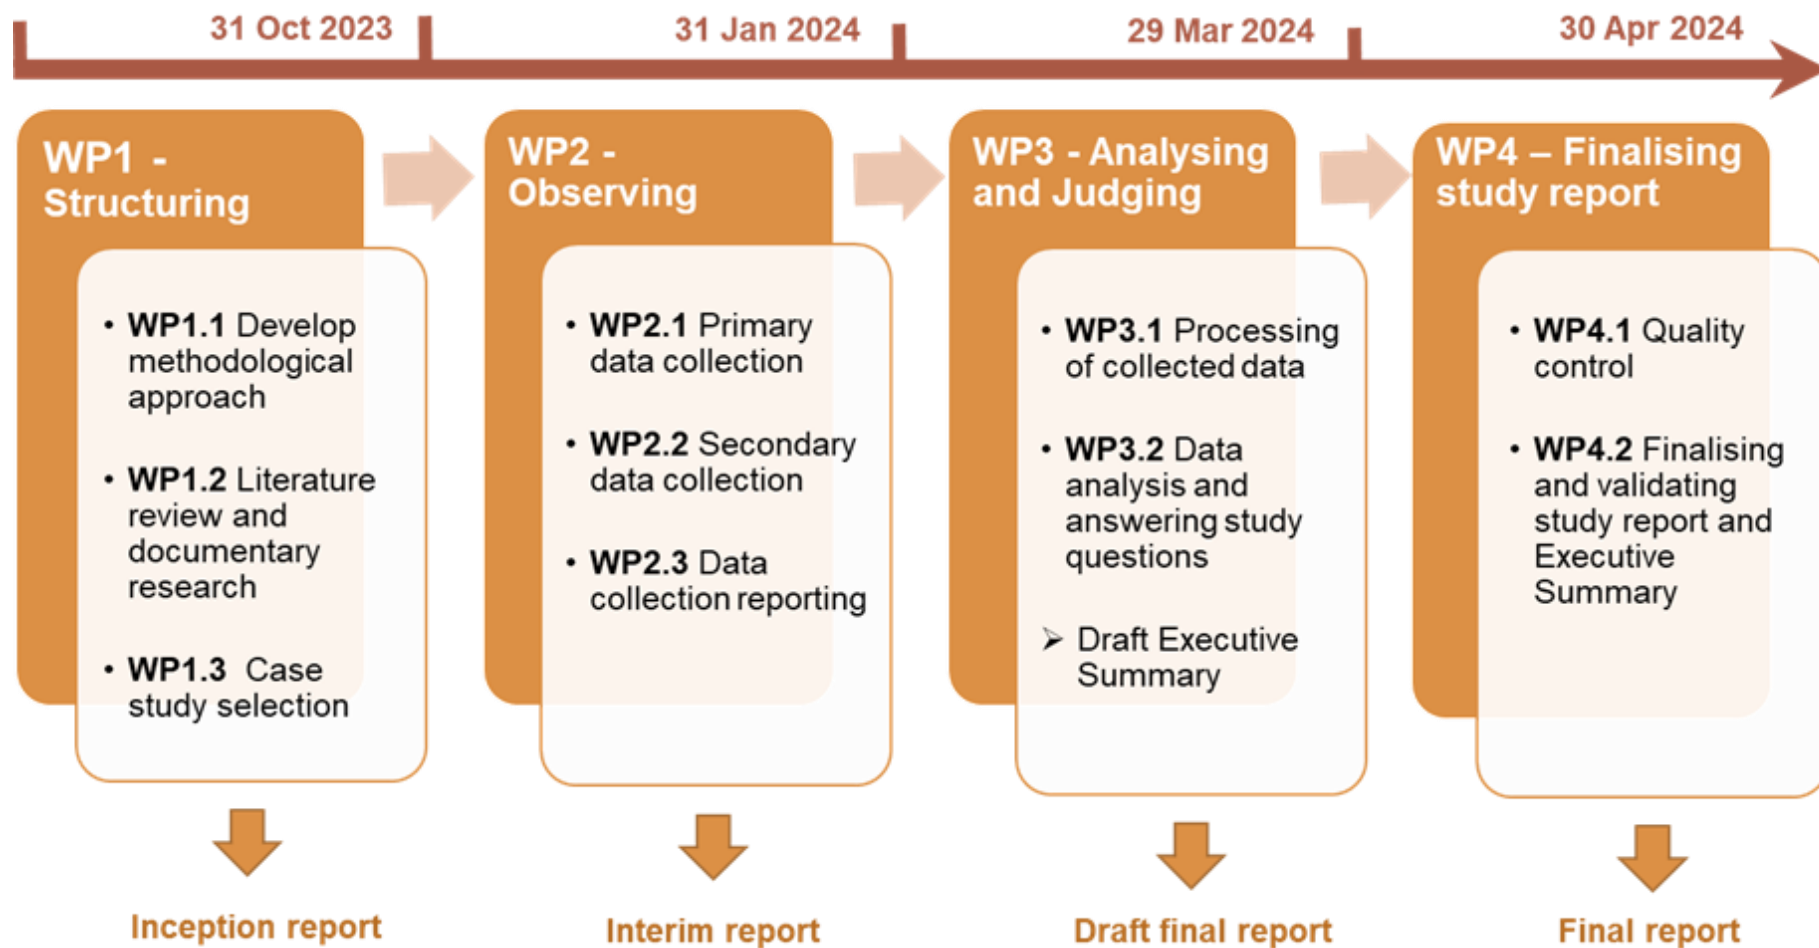

Primary data:

The screenshot shows the EU CAP Network website interface. At the top, there is a logo for the EU CAP RES NETWORK, a language selector set to 'English', and a search bar. Below the header is a navigation menu with options: 'EU CAP Network', 'News & Events', 'Networking', 'Projects and practice', 'Themes', and 'Resources'. The main content area features a large banner image of hands holding soil, with a text box titled 'Horizon Europe' that reads: 'Creating knowledge and innovation for sustainable agriculture, forestry and rural communities'. Below this, there are three smaller images: a stack of carrots, hands working in a field, and a field of crops. To the right of these images is a paragraph of text explaining Horizon Europe's contribution to sustainable agriculture and rural areas. Below the text is a section titled 'On this page:' with a list of links: 'What is Horizon Europe?', 'How will Horizon Europe help farmers, foresters and rural communities?', 'How is Horizon Europe funding made available?', 'How to apply?', and 'Learn more about Horizon Europe'. At the bottom, there is a 'Learn more about' section with four buttons: 'Multi-actor projects', 'Thematic networks', 'Advisory networks', and 'EU Mission 'A soil Deal for Europe'', each with a 'Learn more >' link.
